

Be ready to live the adventure!!!

In less than 8 weeks will start the first edition of the only event in jet ski. the Euro-African Raid is without place to doubt the most beautiful adventure that it is possible to realize in jet ski at present: 1400 km of race in only 8 days, a diversified race, a friendly ambience, pictures that leave you without breath; so many factors that will do of this event an authentic raid.

The raid

For this first edition we have prepared meticulously a itinerary for excited of the jet ski eager for strong sensations. 8 days of competition of adventure along the Spanish and Moroccan coasts taking the crossing of Mediterranean sea, as a climax to cross the méditerránean sea two times, especially the crossing for the mythical Strait of Gibraltar. This conjunction between both continents promises unforgettable memoirs to all the participants!

The different stages will be composed by stages of navigation stages of offshore, endurance, closed course and special stages. Making to perfect the talent of the pilot! But do not be wrong – be opened the race to every person anxious to accept a challenge that allows to submit to a test his keenness of spirit and his resistance. The race is opened to the veteran pilots as well as to the promotion and the essential thing is not truly to be the most rapid or taking the most powerful machine, everything is a question of analysis of the situation, of reaction under the pressure, of to take the decision in the opportune moment and of the discovery of interior unsuspected forces. Because here the whole world has his possibility, the possibility of accepting a sports challenge, of being at the beginnig of every stage, of exceeding your own limits, of shining, of discovering

Some pilots will take part in this event for the wealth of the sceneries, others for the adventure, others for gaining the race or to reach to the end. The Euro-African Raid allows to answer to the hopes of all of them, anyone that should be his perspectives and capacities.

Beyond the strict classification of the race the Euro-African is especially a race human and sports adventure, an expedition that will leave unforgettable memoirs to the participants.

The categories

- Category F1: a pilot carries the competition out only.
- Category F2: two pilots distribute the stages to his expediency using the same jet ski.
- Category F3: it allows to take part in the stages of the weekend of the race

Inscription

We have worked very hard to obtain sponsors to do the Euro-African Raid has an acceptable budget for the pilots.

Inscription and fuel:

F1: 1500 Euros / 1000 euros

F2: 1300 Euros / 1000 euros

F3: 500 Euros / 500 euros

Assistance / Mecanichs : 1250 euros

The inscription includes:

accommodation in hotels of 4 stars, meal, drinks, energy drinks, the logistics during the race , etc ... as well as the transport of the jets from Belgium towards Spain (going and return)

The logistics

We have put in execution a professional and organized well structure, both in ground and in the sea. The Euro-African Raid takes an imposing logistics. Several trucks / vans will continue the different stages of the career for highway. The pilots will be able this way, if they need it, to have access to his material permanently. Several vehicles will be available for the assistances, mechanics and the pilots in F2.

The safety in the water will be the most important factor, it will be in charge of the K38 (professionals of the safety in the sea). Also we will be provided with the external supports of the different communities where the race will go... A medical service will also follow us permanently and phisioterapéutas will be present in the different stages.

The organization will have mechanics to cover the assistance of the pilots (this service is not included in the inscription, for more information about this point please contact with us).

Coverage of press and television.

The event will enjoy a support mediá big importance. We will be provided with our own producer, the images will be edited every day and spread free to the different televisions of the world so that they could follow the race daily.

The photos and the videos will be available free for the pilots.

We already have confirmed the presence of several televisions that will live with us through the race, Representatives of the specializing press of several countries will be also present to cover the raid. For France we will be provided with Thierry Scharff of the magazine Hydrojet.
